Backstage: Jesus: A Year of Obscurity

Casting Call (John 1:35-51)—The earliest disciples of Jesus were not professional prophets or trained priests. They were simply men who were looking for God and searching for the truth. And when John the Baptist pointed them toward Jesus, they immediately followed him to see if John was right. And once they began to recognize that something was different about him, they told others who came and followed him too. The process is simple: we go and see for ourselves, and then we go and tell others to come and see also.

Vástago de Gracia is the new Spanish-language worship service that meets in the Chapel during the 9:30 hour every Sunday! All are welcome to join.
