Conversation Hearts are so fun this time of year, and so are good conversations with each other. Use these conversation starters to spend some time talking about things you may not always discuss.

- What was the best vacation you had as a kid?
- What's your favorite time of day?
- What is your most ticklish spot?
- If you could be exceptionally talented at something, what would it be?
- If money wasn't an issue, how would you celebrate our next anniversary?
- If we were to go without technology in our house for a week, who would go through withdrawal pains the most and why? What would be the result of a technology fast for the two of us?
- Where do you see "us" in 20 years?
- How have you seen God work this week?
- What do you think God likes about our relationship? What do you think He would want to be different?
- Spend 1 minute kissing like when you were dating.
